Physician/NP/CNM/PA Survey

We are in the final week of the Covenant HealthCare 2017 Physician/NP/PA Engagement survey. Please complete the survey by March 21, 2017. We are asking that all medical staff take a few moments to complete this survey. This anonymous survey will take 5 to 7 minutes to complete and allows us to receive feedback directly from our providers. To access the survey please go to https://advisorysurveys.com/survey/settings?survey_id=856266%7C8c066a7b. If you have any questions about the survey, please contact Hannah Schultz at 989.980.9459 or Kelly DeBolt at 989.430.5529.

Active Medical Staff Meeting

Covenant Active Medical Staff Meeting is scheduled for Tuesday, March 21, 2017 at the Cooper Campus in the Lecture Theatre. Lunch is at 11:30 a.m. with the meeting called to order at noon. Please contact Leigh Ann Gabriel, Manager Medical Staff Services with any questions at 989-583-4133.

Improved Ordering for Patient Controlled Analgesia

Beginning March 15, intravenous Patient Controlled Analgesia (PCA) ordering will be changing. PCA medications (e.g. morphine) will have selections for the patient parameter. This will permit Epic to guide dosing information while keeping patient doses in acceptable ranges. Also, information for reporting will be available. If you are accustomed to ordering PCA with dosing information preset from an Order Set, this information should be pre-populated as in the past. Please contact Andrew McNab at 989.583.1323 if you have any additional questions.

Antimicrobial Rounds at Select Specialty Hospital

Select Specialty Hospital-Saginaw has instituted an antimicrobial stewardship program. Weekly rounds are led by Dr. Muhammad U. Khan, Infectious Disease Program Director and Ahmad Sarsour, Director of Pharmacy at Select Specialty, in collaboration with team members from infection control, quality and nursing. If you have additional questions, please contact Allison Jauss at 989.583.4897.

Doctors Day is Coming

We would like to take a few minutes to recognize our doctor's hard work and dedication to Covenant HealthCare. Please join us on March 30, 2017, from 6:30 AM -11:00 AM at the CMU Education Building to celebrate Doctors Day.
